Adapter Line by Liberty AV Solutions

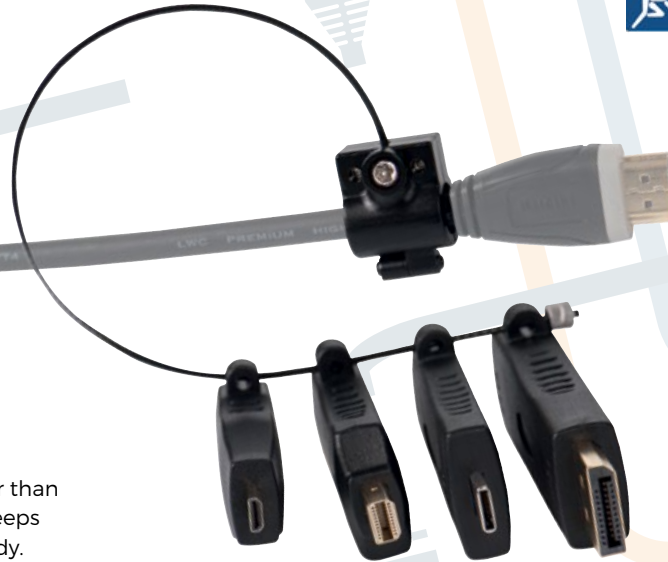

**NOW
Available!**

Please contact
sales@vandomburg.nl

NEW: HDMI AdapterLine

The new HDMI AdapterLine makes it easier than ever to connect, takes up less space and keeps your presentation area looking neat and tidy.

**New and improved
adapter ring system**

Features and Benefits

- New, updated 'line-style' easily tucks away into table boxes.
- AdapterLine (tether) is made of durable stainless steel.
- Faster and more convenient to add or remove adapters. Undo one wire end to add/remove adapters. Opposite end has fixed cap.
- Simple to attach the individual adapters to the HDMI cable head - no awkward twisting.
- New die cast aluminium clamp (DL-LN) is smaller and stronger with metal hinge and clasp.
- The clamp and line use the same torx screw as previous adapter rings. No need to have separate allen wrench, saving assembly time.
- US Patent No. 9,784,338 and 10,041,565

Make Liberty's breakthrough DL-AR adapter ring part of every install

Our patent-pending tensile aircraft strength ring and clamp locks to an HDMI cable (sold separately) keeping all of your adapters at your fingertips. Not only do you get a solid and reliable connection, but the adapters are secured to the HDMI cable so they can't get lost!

PLEASE NOTE
HDMI cables are not included
